Adachi!

Why are those two walking to school together?

Hey, what's going on?!

What the hell?

ヒソ
ヒソ

Maybe you should go.

I'm sure Kiley's sorry. I know he is.

Over here! Over here!

You're about to be the big rumor of the new quarter!

What's up? Why are you coming to school with Toji?

She's calling you out.

I know how you feel, but you shouldn't try to show up Kiley.

.....

Well...

Because! He was in such a panic looking for you. He called everybody.

How do you know that?

What?

He couldn't make it to the trip, right?

He's such an idiot.

How could he be late for that promise ?!

We've been calling since the day before yesterday, but we couldn't get a hold of you.

And we were worried too, y' know.

So where were you, Momo?

I knew it.

I'm sorry. I had my phone turned off.

But Toji was holding your bags.

So at first, I just thought it was a coincidence.

I heard you guys were working at the same store this summer.

But...

...did you two just get back from a trip?

Look, I don't really think that it could be true...

Did you really go with Toji because Kiley didn't show up?

.....

.....

What ...?

I was waiting for somebody at the station yesterday.

I saw you there.

You were with Toji. I saw you, Momo.

Oh!

Huh?

"That's a bit cruel, don't you think?"

"He was looking all over for you."

"Did you go with Toji because Kiley didn't show up?"

How can I face him...?

If Kiley finds about Toji...

What will he think?

What should I do?

That's a bit cruel, don't you think?

Be nice, Nami!

Good Morning!

I'm sorry I couldn't make it the other day!

Hey, what are you guys doing?

Just homework II Heh heh.

Well, I didn't do any of my homework.

Shut your trap.

One last futile resistance? Oh brother.

What?

What the hell were you doing all summer?

Are you serious?

And why the hell are you so laid back about it?

No way!

I was working at a soba shop.

Kiley doesn't care for me the way I do for him.

That promise meant nothing to Kiley.

Hinomoto Travel

He thinks he can just get away with just saying sorry.

Forget it all.

I'm not going to waste any more time worrying about Kiley.

How can he be so carefree about it?

As if nothing happened?

What is going on?

You can make sure Kiley?

Totally. Just watch me

.....

"I'm sorry..."

I'm always a fool.

Did you get back together with Toji?

Sure.

Can I ask you something?

Yeah

Why did you decide to get back together?

Uh, well, it's kinda sudden, y'know?

It's just hard for us to believe

Oh

Yeah

We will begin commencement ceremonies at 9:30.

All students are to

Let's go to the gym.

Look, Momo.

About what we said earlier

.....

What about Nami and Rikko?

Oh, they're going ahead.

Oh.

Hana.

This is no time to be aligning

Sorry, you guys go ahead.

Well, y'know.

What is it, Misao?

I saw Momo coming to school with Toji today

..you broke up with him, right?

Or was it still going on?

Always? Really? But..

Toji always looked after me.

Tell me.

I need to understand what you're thinking!

It's a long story..

They worked together at the same summer job, too.

Are you okay with that?

She showed up at school with To.

At the convenience store in front of the station

You're still here?

Yeah. I saw them. They looked real friendly together.

Hey Kiley.

What's going on with you and Momo?

I've been getting that all day today

Why is everyone so interested in our business?

Did you get to meet Momo that day?

I'm going to go talk to Momo

No, it's okay!

You have to talk to her

What's okay about it?! You decided that you loved Momo, right?

Did you tell her the reason?

No.

No.

Why on earth not?

It doesn't matter anymore.

What is it, Kiley?

Why are you giving up so easy?

Misao

What's that bruise?

はっ

He totally protected you, didn't he?

Now understand why To suddenly started dating wicked Sae

That's pretty amazing

That's not something just anybody could've done.

You two love each other.

really understand

Well anyway, um

Banged into what? Let me see

It's nothing. I just banged into something.

I had no idea that you were going through all that.

Wow

So that's what happened.

But finally understand

I guess it's not something that's easy to talk about

I'm sorry

Why are you always so distant? You never tell anyone anything

Kiley still has feelings for Misao

Hey

Let's go

Rikko

Nam

knew it.

You shouldn't talk so loud.

Well

K ley was trying to find her!

She promises to go on a trp w th K'ley, and she ba s with To, instead?!

can't be eve tn s!

And it was Momo nugg ng To i.

What?!

I d'dn't say anything back there, but I saw Momo and To' no d ng each other

There must nave been a good reason..

But Momo isn't ke that.

I bet!

'm rea y d sappo nted in Momo.

Anybody could have been watch ng on a pub c street n front of the stat o

He stopped ta king to her al of a sudden. Then after neg ect ng her for a wh e, he just dumped her

What?

t looks like he nooked up w th a new g r.

You know

Nami just broke up with her boyfriend

Hey... that's not true

I guess Nami nates me now.

.....

But th nk your situation rem nds her of what happened to her

She's k nd of been down lately.

It has noth ng to do with you.

Sae?

You look pale.

Are you okay?

Let's go to the nurse's office

Misao must be there.

!

Forget it

I don't want that woman touching me!

Sae...?

It would be better for him to hear it from me instead of from somebody else...

And besides...

I have to draw the line somewhere.

Maybe...

I should tell Kiley about Toji

But Momo isn't like that. There must have been a good reason.

I don't feel all that great.

Nothing.

I'm saying it doesn't matter what the circumstances were! I just can't believe that you took Toji on a trip that you had planned with Kiley!

If Kiley had come on time, you would have gone with him, right?!

All that mattered to you was which guy showed up!

Nami!!

I'm sorry.

You're right, I am taking it out on her.

I'm sorry about that.

But I can't forgive what she's done.

Just because things went bad with Kiley..

Kiley was late, but just like an hour or two, right?

Nami, if you knew what Momo went through, you'd understand

You're going too far!

You hook up with Toji?

That's not cool

I mean, you're treating Toji like he's your backup boyfriend!

Those five minutes were everything to me.

What do you mean you couldn't wait because you loved him?

What the hell is that?

.....

What are you talking about?

Nami

Don't blame Momo

That day...

Our promise was that would wait five minutes.

Why?

If you love him, then you should've kept waiting!

Listen, even if Kiley had come, I probably wouldn't have gone with him.

I do love him That's why I couldn't wait anymore

She never gave you the chance to tell her why you were late. That's not right.

But Kiley, you had a reason for being late, right?

chose my first love, that's why.

Kiley!!

Was he listening?

I'm sure you'll be happy with him.

I'm glad.

I'm sorry..

...couldn't be the one for you.

You got back together with Toji?

You love someone besides Momo?

PEACH CLUB

Hello! Welcome to *Peach Girl, Volume 16.* Thanks to all you readers who purchased a copy. These days, I've managed to control my backaches to a minimum. But now I think my stiff shoulders are getting worse. By the time I finish my manuscripts, my shoulders are so stiff I can't even turn my head. I try using Salonpas or Peppu and it helps somewhat. But if I leave it on for a long time my skin gets rashy. So after debating for a while, I went to a pharmacist and got one of those ultrasonic machines. And I got it hoping that it just might work. Lo and behold, it's great! On the first day I didn't get many results. But by the third day, all of my stiffness was practically gone like magic! Viva ultrasonic. This was one of my recent hits.

Since the ultrasonic device worked so well, I had to buy one for my assistants. One of my assistants is suffering from stiff shoulders, but it worked wonders for her. This thing is great! And since it works on batteries, it's portable too. But when someone who wasn't suffering from stiff shoulders tried it, they said they felt sick afterwards. I suppose healthy people shouldn't try it carelessly. Oh, speaking of healthy, there's another thing that took everybody by surprise. And that would be Tocho Oolong tea!! Drinking this really clears your bowel movements(na na). A Taiwanese TV station sent it over, but it's great. Even though it's good for poops, a belated thanks very much! -Miwa

Wel , m ne too.

Ha na ha. I'm sorry

, was so nervous tn nking about what wou d say to them ..

On man

I'll go get tne DVD. Wa t here.

Okay.

Both my parents work, so tnere's nobody here.

What?

On no!

What sno.. d I do?

What?

I a.dn't br ng any gifts for your parents

I wonder if Kiley is searching for it.

I couldn't return it.

I'll just return it quietly to his bag tomorrow.

Here we are.

Nothing's changed..

Toy's room...

...a lot has happened...

A thought hasn't even been a year since then...

What should I do...?

But now my p cture s there instead of hers ...

There was that picture of Misao so badly worn out that you couldn't even tell it was her.

Hun ...?

Is this boring you?

W-why do you ask?

wonder what's going on with me .

I'm so happy right now w th Toji..

But, I can't get that picture out of my mind.

ピキッ

You seem to be thinking about something else.

Why do you keep thinking about Akiyo?!

No! I wasn't. I'm watching...

You dummy!

It doesn't matter anymore.

It's over with him now

.....

Stop it.. !

With the way you guys broke up, you probably haven't settled things in your heart yet.

But I tried to rush things, to make them the way they used to be

It's patheti c, but when you close up yourself it makes me feel insecure

start wondering if you're thinking about Kiley.

I'm sorry.

Don't apologize.

It's okay if you're still confused about Kiley

No.

You shouldn't think too much about it.

I'm sorry. ...

.....

What ...?

I should be the one saying sorry

After all, I...

But at the same time, I feel so guilty...

But then I realized that it made me happy

But why now? At first, I was irritated.

"It's okay if you're still confused about Kiley."

It's unreal how much better I feel now.

To tell the truth, I felt happy when I saw that picture.

So I'll accept the whole package

After all, it's because of Kiley that we have each other now.

Toji.

Thank you.

I'll wait until you can devote yourself completely to me.

You're late, jackass!!

Damn!

He lo?

I'm sorry. I'm coming, I'm coming.

Just wa t a ittle longer.

Oops.

I forgot.

I sa'd 6 o'clock at the stat on square! Where are you?!

We' make a scene n front of him.

It's fine, it's just K ey.

Can come too?

カラン

We come.

Oh, no.

D d you wait long?

Wh le we're at it, why don't we make tn.s a date?

, was so nappy when you ca led me

Of course not!

Am I nconven enc ng you?

, m sorry to ask you out so sudden y.

Um... wait.

What ...?

Ak' ...?

But dian't intend to break up you and Sae...

I was only th nk ng about myse f My head was ,ust so ful of try ng to tel you oved you

Why ..?

want you to forget about what I sa d to you the other day.

What's the matter?

I would have broken up with her even if you hadn't come into the picture.

Oh, that?

You don't need to worry about that.

Why?!

What ...?!

I'll take care of this so you don't have to worry.

Okay?

To be honest,

she's been a problem, always hanging on me

Somehow, I've become her boyfriend in her mind.

ひゅっ

Look Sae.

You're just drunk on the feeling of being in love with me.

You're just fooling yourself into thinking that it's mutual.

And you aren't with me...?

Key ...

You tricked me

Why are you with that woman?

How could you?

You never answer my calls.

Why are you seeing this pig?!

Why...?

Because I'm comfortable being with Aki

What's so great about her?!

What can she do for you, Ryo?!

I do love you, Ryo!!

That's not true.

It has to be you, Ryo!

, th nk you have the wrong idea.

To begin w th, we were never dat ng.

Noth ng

I'm just grateful to have her by my side.

She makes me feel at peace.

...if she' on y stay with me.

She doesn't have to do anyth ng for me .

Why . .?

What d d you do to Ryo ..?

Sae.

How can you just show up a of a sudden?

Don't take my Ryo away from me !

さえっ

.....

'll see you tomorrow.

Thanks. can make t home from here.

You realize th s, right?

You said that I was cute!

You said that you would make me happy!!

Then why did you sleep with me?!

I want to stay with you a little longer.

Huh?

Not yet.

It. It sounds pretty brutal.

A lover's quarrel?

Okay

Then, maybe we can hang out somewhere and talk?

Okay.

But I'm kind of curious

Let's go somewhere else

I wonder.

What's with this crowd?

Wa t,
Ryo.

This girl has her back to the wall and is pleading with you!

And that's all you can say...?

How can you say that?!

Are you sure it's mine?

Why do guys always say that?

I don't believe this guy...!

!

I didn't want to say this out loud, but you lead a pretty wild lifestyle, don't you, Sae?

Who knows whose kid it could be

So just get left behind, eh.

I'm going home

Oh well.

Man, that's pretty hard to digest.

Oh well, there they go.

I wanted to see more.

しばらく

あっ

We're not going to get anywhere taking here

Let's go!!

And she's not that kind of girl!!

Bravo!

ざんざんざん

I haven't slept with anybody except Ryo!!

Do you rea ze what this gir a d to earn money...?

I'm not ly ng

Do you expect me to be eve that?!

When was dating o der men for money, a ways ran away after gett ng paid first

I never slept w th any of those men!

Ryo.. You're too nsens tive towards Sae.

How can you speak so cruelly?

Why?

Hey!

Where are you tak ng us?

What?!

I'm go ng now.

You can talk a you want here

Do you ser ously think that got her pregnant?!

Hey! Wait, Aki. .

Ak..

Please take responsibility and figure out this situation.

Be an adult

You have to admit that you might have something to do with this situation.

You're just trying to avoid responsibility

I always thought you were a nicer person

You're just blaming everything on Sae.

To be honest, I'm disappointed in you

?

Why was your brother with Misao?

Do they know each other?

So Sae went nuts, and that's what happened

What a drag

That's the first time that I heard about Misao saying that to your stupid brother.

Oh, really?

You can ask Momo for the details.

I don't know anything about that.

Huh?

Misao told Ryo that she loved him, and it looks like things are working out.

Oh, you didn't know?

Ha ha. Sorry, sorry. I've been pretty forgetful lately

Oh, my my my.

How did all this happen?

I wonder if it's for real

How shocking Sae's pregnant

Did you two see what just happened?!

Did you see that?

What a coincidence

Part of it

But then Ryo came here with Misao.

Well, you see...

Sae was having trouble getting in touch with Ryo, so I helped set them up to meet.

Oh, okay.

We should get going.

Don't worry From here on out, it's gonna be my time!

No matter how much Misao might care for him, after seeing that, she's got to think twice.

You're gonna lose Misao to your brother.

This isn't the time for jokes.

How can he be serious about this?

So that's it!

What the hell is he thinking?

But what if Sae was lying about her pregnancy?

I'm going after those three.

See ya

He doesn't seem to care at all that To and are together now...

That's very possible with Sae

That could be the case

And to think, I actually thought that they still had feelings for me.

So maybe there isn't any deep meaning to that picture after all.

I guess I flattered myself a little.

I think too much.

Phew!

ばい

ドサ

Aw man.
